**Robert Craig Winery 2015 Cabernet
Sauvignon (Mt. Veeder)**

Mount Veeder, Napa Valley
Red wine from United States

Drinking window: 2020 - 2035

One of the highlights in this range, the 2015 Cabernet Sauvignon (Mt. Veeder) is seriously beautiful. A healthy dollop (24%) of Merlot gives the wine terrific mid-palate pliancy and fruit depth to play off of the more intensely mineral and soil-drive signatures, of which there are many. Raspberry jam, crushed rocks, blood orange, white pepper and red cherry jam infuse this deep, powerful Cabernet Sauvignon from Robert Craig. I would give the 2015 at least a few years to settle down, as the tannins are imposing at this early stage.

Antonio Galloni. Tasting date: September 2017
