

2017 SPRING MOUNTAIN CABERNET SAUVIGNON

Our Spring Mountain Cabernet displays the mountain's special blue notes – blueberry, boysenberry and exotic plum fruits – that are so distinctive to Cabernet grown on its slopes. We are fortunate to obtain a tiny amount of this exquisite fruit to create a wine with great weight, structure and velvety texture.

APPELLATION	Spring Mountain, Napa Valley
VARIETAL(S)	86% Cabernet Sauvignon, 11% Cabernet Franc
VINEYARD	Sourced from Joan Crowley's beautiful vineyard perched at 2000' elevation near the summit of Spring Mountain. This site is primarily dry-farmed, which reduces both vigor and crop yields, and results in small, flavor-packed berries.
FOOD PAIRING	Complex and beautifully structured, this Cabernet pairs well with filet mignon, prime rib or rack of lamb.
TASTING NOTES	Savory and pleasantly balanced, opening with dark fruit and white floral notes that give way to a palate filled with jam, preserves and a kiss of vanilla. Savory cooked tomato and boysenberry grip nicely on the mid-palate and carry through to the long lush, finish.
